Unknown Tableware | James Dudson | Beverage Server with Metal Lid | Item | 001

Shape Name

Unknown Tableware

Potter Name

Dudson, James

Photo Type

Item - Photo

Item

Beverage Server with Metal Lid - Over 7" Tall

Notes

James Dudson named this pitcher "Barley" even though the embossing looks like wheat. There are two versions of this shape. In this one the wheat originates at the spout and the wheat heads point back to the handle. The other version has the wheat originating at the handle.

Kew Registration
