UNITED STATES PATENT OFFICE.

SYDNEY STARKEY, OF EAST LIVERPOOL, OHIO.

DESIGN FOR A VASE, &c.

SPECIFICATION forming part of Design No. 21,877, dated October 4, 1892.

Application filed August 22, 1892. Serial No. 443,804. Term of patent 14 years.

To all whom it may concern:

Be it known that I, SYDNEY STARKEY, a citizen of the United States, residing at East Liverpool, in the county of Columbiana, State of Ohio, have invented a certain new and Original Design for Vases, Urns, &c.; and I do hereby declare the following to be a full, clear, and exact description of the invention, such as will enable others skilled in the art to which it appertains to make and use the same.

My invention relates to a new and original design for vases or similar articles, as shown in the accompanying drawings, in which—

Figure 1 is a front elevation of a vase or similar article, illustrating my invention. Fig. 2 is a perspective view of the invention, showing its application to an ewer or similar article.

The essential feature of the invention is a vase or similar article representing the head of George Washington.

As shown in the accompanying drawings, the base of the neck is provided with a ruff *a*. The head is surmounted by a hat A, of the style commonly worn by General George Washington, the ends of the same being formed to provide spouts.

The article is provided with a handle B, placed on the rear side.

Having thus described my invention, what I claim, and desire to secure by Letters Patent, is—

The design for a vase or similar article, as herein shown and described.

In testimony whereof I affix my signature in presence of two witnesses.

SYDNEY STARKEY.

Witnesses:
FRANK PEPIS,
HARRY G. DEHNECK.
